

Bertie High School

Greetings Falcon Family,

Welcome to Bertie High School. I am truly honored to serve as principal of this great school that is also my alma mater. Our mission is that each student at Bertie High School will graduate with an educational experience that will serve as a foundation for success in college, career, and life.

This school year will be a journey of endless possibilities. Remember, your high school experience is what you make it. We look forward to working with you to make this a very successful year. We are proud of our students, teachers, staff, and parents/guardians. Our goal is to maintain our tradition of excellence in everything we do. Our theme this year is: **Striving for Excellence Without Excuses!** Bertie High School is a place where students are able to take advantage of their educational opportunities and become responsible young adolescents.

Bertie High School has a rich history of excellence in academic, athletic, and extracurricular accomplishments. Those accomplishments were achieved by providing experiences that are engaging, meaningful, and challenging. Bertie County Schools is not considered to be a low performing district and Bertie High School was only 3 points from a "C". We are proud of this progress and are excited about the possibilities to come.

Our faculty and staff are dedicated to challenging our students academically and providing them with guidance to become independent thinkers, good decision makers, and problem solvers. Teachers are getting in the way of students by eliminating barriers that may get in the way of student success. My experiences have shown me that, collaborating with the school community, businesses, and stakeholders creates a culture of exceptional quality of an effective school. It takes a village to help prepare our students to be 21st century learners as they go out into the ever changing world.

Our faculty and staff look forward to working with you and your student this year.

You Can't Hide That Falcon Pride!

Sincerely,

William W. Peele III
