State Testing Information

Parents & Families,

To continue to extend testing transparency, we are sharing a copy of state mandated testing information. The attached testing chart provides the following information:

- Name of test
- Test type/Purpose
- Grade level(s) assessed
- Subject area assessed
- Test delivery mode
- Testing window
- Time allotted

The following chart/information can also be found on the district's Title I webpage and the school's webpage. You may also find this information on the state's Testing & Accountability website:

<http://www.ncpublicschools.org/accountability/>

For more information on these mandated tests, please feel free to contact the school.

Sincerely,

Dr. NeShawn Dawson
