

STEPS TO ENROLL in NC Pre-K:

1. Complete the Pre-K Application
2. Once the application has all documents and signatures, the parent/guardian will receive a phone call with:
 - a. A list of additional information needed to complete the application, OR
 - b. A date and time when the parent/guardian may bring the child to Askewville Preschool to do the Brigance Preschool Screen. (This is done by the staff at Askewville Preschool, and can be coordinated for convenience during the summer months.)
3. Applications (along with the Brigance Screen) are processed within two to three weeks.
4. Parents/guardians receive a mailing in August letting them know if the child was approved, and when the start date for preschool will be.

Special Education Needs

1. In the event, the Brigance Screening presents the need for accommodations and/or special education services, the parent/guardian and child are referred to the Exceptional Children's Department (Director Karen Branch), which will handle the enrollment process from there. ***This is only if the Brigance Screen shows a concern.

Additional Forms Required:

- A complete health assessment, which includes a dental, vision and hearing screening, is due within the first 30 days of the start of the preschool year.
