

8th Grade High School Choice Process

2018-2019

February 7, 2019: Parent Night at 6:00. Both parents and students will have the opportunity to meet at each high school, take a tour and hear presentations from the administrative staff. At the conclusion of parent night students will be given the opportunity to fill out the application on site in one of the computer labs.

Bertie High School will Meet parents and students from 5:30-6:15

Bertie Early College High School will meet parents and students from 6:30-7:15.

February 7-22, 2019: Student application will be open online. This will be completed via google docs. A link to access the application will be made available on our district webpage for those who are not current students at Bertie Middle School. **Please remember this process is for rising 9th graders only!** Students who will be entering grades 10-12 for the 2019-2020 school year should contact the individual high school for more information as to what they would need to do to enroll.

February 11-22, 2019: Student writing assessment opens. Writing samples are due to Department of Curriculum and Instruction **no later than February 22, 2019**. This will be done online via google docs. **For students not enrolled with Bertie County Schools they will need to contact the Central Office and ask for Curriculum and Instruction.**

March 4-8, 2019: Student interviews will be held. In order to receive an interview slot, the application as well as the writing sample must be completed. ALL students must go through the interview process, there is no exception!

April 1-5, 2019: Letters will be mailed to students. ALL students will receive a letter indicating either acceptance to Early College or stating that they have been placed at the High School.
