Dear Phoenix Families,

Bertie Middle School is deemed a Title 1 school. Due to this status, we receive federal funds to increase parental engagement and increase student achievement. These funds provide additional support to students in high-poverty schools. As a recipient of these funds, Bertie Middle School is required to make adequate yearly improvement in student achievement. Although we have demonstrated in the past of Exceeding Expected Growth, as required by the state of North Carolina, we still have some Rising to do. Therefore, we are asking for your continued commitment in supporting our school in reaching the milestone of achieving a letter grade of C. Working together, we can Rise to the occasion.

As a parent of a child in a Title I school you have the right to participate in the decision making process. You are invited to participate on the School Improvement Team, as well as work with the school staff to make decisions regarding the Bertie Middle School Improvement Plan and Parent Involvement Policy. Bertie Middle School's success is largely attributed to the support we have received from parents and families. We are looking forward to working with you to best serve your child's needs this school year.

You are invited to attend our Annual Title I and PTSO Meeting in September, where you will find out more about our Title I program, including your right and responsibilities as a parent in a Title I school, and voice your thoughts on how we can help bridge the gap between home and school.

If you have questions about your child's Title I school, please call your child's school at 252-794-2143. We are looking forward to a year of educational success and continuous improvement for all of our students. Please continue to work with us to make sure that we achieve success for each student.

Sincerely,

William Peele, III, Principal
